Lead Designer, Marketing and Brand at Celtra

March 2021 – present (New York, NY)

Lead designer responsible for designing and updating the Celtra homepage and marketing pages. Concept and design brand campaigns, social graphics, event marketing, and print. Help maintain brand consistency across teams and disciplines, help non-designers ship high-quality work.

Graphic Designer at Starry Internet

July 2018 – March 2021 (New York, NY)

Collaborate with marketing team to concept and produce organic and paid social content. Help evolve the brand and style guide, including introducing new visual concepts and new brand assets. Maintain, produce, and design Lucidpress templates for direct mail, field marketing, social, and canvassing materials, allowing non-designers to make and print their own on-brand collateral. Concept, design, and animate motion graphics and video content for organic and paid social. Built and ran an internal photo studio for easy in-house photography. Assist on-set on large photo and video shoots with concepting, art direction, and prop styling. Hire and collaborate with freelancers. Work with multiple teams and external vendors to design and source apparel and uniforms for Starry technicians and employees. Work with developers and marketing to design emails and banner ads.

Freelance Design Lead at Suraj Patel for Congress

April 2018 – June 2018 (New York, NY)

Responsible for art direction and design for campaign literature, merch, social content, flyers, out of home installations. The campaign design was featured in TYPE magazine, Politico, Citylab, Washington Post, and The Baffler.
